The prophecy that this was to be an aggressive campaign on the part of the Republican's has been England, vote for Cleveland and Honwell fulfilled, and the same spirit of enand an it is the to aid in the cleation of the next President and Vice President of the trade, state, veta for Blaine and Lagan. thusbasm and determination should be maintained until the battle has been foughand Blaine and Logan handsomely elected. a, they will be Tuesday.

Bring out Every Vote. Phis is the last day in which to prepare for the great contest will our felends sould see that all arrangle ments are perfreted to get out every vote. It, there are Thirty Thousa any who reason that Moine is all right and therefore it is not necessary to Lunku any In the City of New York by a Con screative Estimates special effort we hope, they will theard all such ideas at once. Maine is all right aid will give her electoral votes to Blillne and Logan ap will without Realistevery Cheveland will lose in the Cay of Row right and will give a Republican hadority: but that is not enough. The friends of York aloud imply defenting their lopponents, but should make the defeat overwhelming. In order to to this avery vote must take an gole kloggett from won mort than pits. aestay afternoon. The drethoughs that ird to vote for Blaine of Maine sufficient to aroose our citizens mother reason for thising a great Interest in this contest. The direct Issue between the Iwo parties is Protection la Free Trade. - The Republicans are the blowed friends of ithe former and the Democrats although just now thying to hide the fact, ne as strongly in favor of Free Trade to day as they were when four-fifths of the Democratic members of the House of Representatives sought to force upon the ountry that destructive analure, known as the Morrison bill, and characterized by

the hearty ladorsement of the British cress, for the reason that the platform, according to Mrd Bookwalter, a strong Democrat, commits the party to a polley, that would place "America in the front rank of Front Prode Nations," and that of course means to open our markets to the British manufacturers, who, with their maper labor products, would soon undernine our hodie industries, thereby enusing text tution among out laboring classes. Is the Republical ticker. So long as Afferithis what the voters of Bangor want? end laborated protection.
